ANNOUNCED LIFE OFFERING TO \$2.5M LED BY CENTURION ONE CAPITAL
AND FILING OF SECOND AMENDED AND RESTATED OFFERING DOCUMENT**

Not for dissemination into the U.S. or through U.S. wire services.

TORONTO, ON, September 25, 2025 – Silver Crown Royalties Inc. (Cboe: SCRI, OTCQX: SLCRF, BF: QS0) (“**Silver Crown**”, “**SCRI**”, or the “**Company**”) is pleased to announce that in connection with its private placement offering (the “**Offering**”) of units of the Company (the “**Units**”), as previously announced in its press release dated September 11, 2025, the board of directors of the Company has approved an upsizing of the Offering from 363,636 Units to 454,545 Units at an issue price of \$5.50 per Unit (the “**Offering Price**”) for aggregate gross proceeds of up to approximately \$2,500,000.

Each Unit shall consist of one common share in the capital of the Company (a “**Share**”) and one common share purchase warrant (a “**Warrant**”). Each Warrant shall entitle the holder to purchase one Share at a price of \$8.25 for a period of 36 months from the closing date. The Warrants will be subject to an acceleration right (the “**Warrant Acceleration Right**”) if, on any thirty (30) consecutive trading days, beginning on the date that is the closing date, the daily volume weighted average trading price of the Share is greater than \$11.00. If the Company exercises its Warrant Acceleration Right, the new expiry date of the Warrants will be the 30th day following the notice of such exercise.

The Offering is led by Centurion One Capital Corp. (the “**Lead Agent**”) as lead agent and sole bookrunner.

In connection with the upsized Offering, the Company has filed a second amended and restated offering document dated September 25, 2025 (the “**Amended Offering Document**”), which can be accessed under the Company’s profile on SEDAR+ at www.sedarplus.ca and on the Company’s website at silvercrownroyalties.com. Prospective investors should read the Amended Offering Document before making an investment decision.

In addition, the Company will grant the Lead Agent an option to sell up to an additional 68,181 Units at the Offering Price to raise additional gross proceeds of up to approximately \$375,000 (the “**Agent’s Option**”) on the same terms and conditions as set out herein. The Agent’s Option is exercisable in whole or in part at any time, up to the closing date.

The net proceeds of the Offering are expected to be used for the purchase of additional royalties, as well as general working capital.

It is anticipated that certain insiders of the Company and Lead Agent may acquire Units in the Offering in amounts up to approximately 25% of the Offering. Any participation by insiders in the Offering will constitute a related party transaction, as defined under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*. The Company expects such participation will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of the Units subscribed for by the insiders, nor the consideration for the Units paid by such insiders, is expected to exceed 25% of the Company’s market capitalization.

In connection with the Offering, commissions will be payable in accordance with the policies of the Cboe Canada exchange. Details of the fees and compensation can be found in the Offering Document.

The Offering is expected to close on or about October 3, 2025, or such other date as agreed upon between the Company and the Lead Agent, and is subject to certain conditions, including, but not limited to, the receipt of all necessary approvals, including the approval of the Cboe and shareholder approval, which shareholder approval may be obtained by written consent resolution of disinterested shareholders of the Company holding more than 50% of the common shares of the Company issued and outstanding.

The Units will be offered for sale by way of private placement pursuant to the listed issuer financing exemption under section 5A.2 of National Instrument 45-106 – *Prospectus Exemptions*, as modified by Coordinated Blanket Order 45-935 – *Exemptions from Certain Conditions of the Listed Issuer Financing Exemption* (the “**Listed Issuer Financing Exemption**”) in British Columbia, Alberta and Ontario, in the United States pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended, and in jurisdictions outside of Canada and the United States mutually agreed by the Company and the Lead Agent, provided it is understood that no prospectus filing, registration or comparable obligation arises in such other jurisdiction. The securities issued under the Listed Issuer Financing Exemption will not be subject to a statutory hold period pursuant to applicable Canadian securities laws.

The securities described herein have not been, and will not be, registered under the U.S. Securities Act, or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation to buy any securities in any jurisdiction.
