

SILVER CROWN LISTS WARRANTS ON CBOE CANADA

Not for dissemination into the U.S. or through U.S. wire services.

TORONTO, ON, November 4, 2025 – Silver Crown Royalties Inc. (Cboe Canada: SCRI) (“**Silver Crown**” or the “**Company**”) is pleased to announce that effective at market open on November 4, 2025, 629,017 of its common share purchase warrants (“**Warrants**”) will be listed for trading on Cboe Canada.

Peter Bures, Chief Executive Officer of Silver Crown, commented, “The listing of the Warrants provides investors with additional liquidity as well as leverage and crystalizes the value of the instruments.”

Each Warrant is exercisable into one common share in the capital of Silver Crown at an exercise price of \$8.25 until October 3, 2028 and will be listed under the symbol “**SCRI.WT.C**”.

ABOUT SILVER CROWN ROYALTIES INC.

Founded by seasoned industry professionals, Silver Crown Royalties (**Cboe**: SCRI | **OTCQX**: SLCRF | **FRA**: QSO) is a publicly traded silver royalty company dedicated to generating free cash flow. Silver Crown currently holds five silver royalties. Its business model offers investors exposure to precious metals, providing a natural hedge against currency devaluation while mitigating the adverse effects of production-related cost inflation. Silver Crown strives to minimize the economic burden on mining projects while simultaneously maximizing shareholder returns. For further information, please contact:

FORWARD-LOOKING STATEMENTS

This release contains certain “forward looking statements” and certain “forward-looking information” as defined under applicable Canadian and U.S. securities laws. Forward-looking statements and information can generally be identified by the use of forward-looking terminology such as “may”, “will”, “should”, “expect”, “intend”, “estimate”, “anticipate”, “believe”, “continue”, “plans” or similar terminology. The forward-looking information contained herein is provided for the purpose of assisting readers in understanding management’s current expectations and plans relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. Forward-looking statements and information include, but are not limited to, the timing for the listing of the Warrants. Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual actions, events or results to be materially different from those expressed or implied by such forward-looking information, including but not limited to: the impact of general business and economic conditions; the absence of control over mining operations from which SCRI will purchase silver and other metals or from which it will receive royalty payments and risks related to those mining operations, including risks related to international operations, government and environmental regulation, delays in mine construction and operations, actual results of mining and current exploration activities, conclusions of economic evaluations and changes in project parameters as plans continue to be refined; accidents, equipment breakdowns, title matters, labor disputes or other unanticipated difficulties or interruptions in operations; SCRI’s ability to enter into definitive agreements and close proposed royalty transactions; the inherent uncertainties related to the valuations ascribed by SCRI to its royalty interests; problems inherent to the marketability of silver and other metals; the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses; industry conditions, including fluctuations in the price of the primary commodities mined at such operations, fluctuations in foreign exchange rates and fluctuations in interest rates; government entities interpreting existing tax legislation or enacting new tax legislation in a way which adversely affects SCRI; stock market volatility; regulatory restrictions; liability, competition, the potential impact of epidemics, pandemics or other public health crises on SCRI’s business, operations and financial condition, loss of key employees. SCRI has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information. SCRI undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents management’s best judgment based on information currently available. There can be no assurance that forward-looking statements will prove to be accurate, as
