No finder’s fees or other consideration is payable by the Corporation in connection with the Offering.

Peter Bures, President and Chief Executive Officer of the Corporation, commented: “We are excited to announce this fully allocated minimally dilutive equity financing at a premium to market. The proceeds will fully finance our pipeline of growth opportunities to our unaffected share price. This endorsement by sophisticated mining investors strongly supports our view that our shares remain significantly undervalued in this unprecedented precious metals bull market. When combined with our nearly C\$10m cash in hand, the proceeds will fully finance our pipeline of growth opportunities.”
